

AEROFLANGE™

The ideal solution for square duct connections

*Self-adhesive Flange covers
made of Aeroflex
insulation material*

- Clean and time saving installation
- The same excellent insulation properties as AEROFLEX
- Professional look and neat appearance

AEROFLANGE™

The ideal Solution for Square duct connections

AEROFLANGE makes duct insulation work look more professional. Besides this, AEROFLANGE provides ducting work with complete thermal insulation. AEROFLANGE is made of the same material as AEROFLEX and features the same excellent physical and technical insulation properties.

No more gluing and patching around the flanges of square ducts!

The Ideal All-In-One Solution For Square Ducts:

- Clean and fast installation
- Complete thermal insulation
- Professional and neat appearance
